

Baby steps

By Phil Stallard

August 16 2008

Psalms 25:10- "All the ways of the Lord are loving and faithful"

Psalms 31:23- "Love the Lord, all his saints! The Lord preserves the faithful"

Psalms 33:4- "For the word of the Lord is right and true; he is faithful in all he does."

Psalms 37:28- "For the Lord loves the just and will not forsake his faithful ones."

Psalms 97:10- "for he guards the lives of his faithful ones and delivers them from the hand of the wicked."

Psalms 145:13- "The Lord is faithful to all his promises and loving toward all he has made."

Psalms 146:6- "The Lord, who remains faithful forever."

I have been thinking about goose calling and how the only way to become a master of the call is by faithfully practicing everyday. In goose calling you have to master every individual note before mixing them with other notes to get that good goosey sound. I have realized it is the same way with life. In order to become closer to God and become faithful you have to work on the little things He gives you day after day and over time those little things transfer over into the big areas of life.

The funny thing is at my church we are going through the different types of Psalms and I started to look at the word faithful which means to be "reliable, trusted, or believed" and I realized that God has been faithful to me and will continue to be. I put verses from Psalms above and I hope that you can see them and realize that we should praise God for always being faithful to us!
