

Complacency
by Phil Stallard

I think a lot of how easy it is to become complacent and to be negative. Especially when I am hunting and animals do not come when I want them to or I fall into water and now am wet for the rest of the hunt. It is easy to complain! But we need to learn to be content no matter what the circumstance is.

Phillipians 4:11b

“I have learned to be content whatever the circumstances.”
