

Principles For Life

The Call Outdoors

My Fear and Hope

Romans 1 vs.20 “For since the creation of the world God’s invisible qualities-His eternal power and divine nature-have been clearly seen, being understood from what has been made, so that men are without excuse.”(NIV)

One thing I love about hunting is being able to spend time in the great outdoors. It’s no doubt that God has shown His power through His creation. Being in the great outdoors I see the beauty of God’s craftsmanship, the very work of His hands. I get to see those geese flying in perfect formations, or that Tom in full strut. Hunters especially see the creation but many may not know the Creator of the creation. Men stare in awe and enjoy the very thing that condemns them because they don’t have a personal relationship with God.

My hope is that more hunters will take a minute and think about the creator of the creation. Once a relationship is established with the Creator, the creation is that much more enjoyable!
